ENGINEERING DEPARTMENT

OFFICE OF THE SPECIAL ENGINEER, VIDHANA SOUDHA (HOUSES OF LEGISLATURE) DIVISION, BANGALORE.

Notification.

Sealed tenders are invited for running a canteen in the vicinity of the above office, in the Residency Compound, Bangalore, under the following conditions for a period of two years from the date of occupation.

1 The last date of receiving the tenders is 25th July 1953 by 10 A.M.

2 The tenders should be accompanied by a treasury chellan for having paid Rs. 100 towards earnest money for the tender which should be superscribed as "Tender for running a Canteen in the Vicinity of Vidhana Soudha Division Building at Bangalore." The amount should be credited to "1—Payments into Treasury Accounts", without which the tenders will not by considered.

3 The monthly rate for offered should be expressed in words as well as in figures distinctly and any corrections therein should be attested by full signature of the tenderer.

4 The name of successful tenderer will be notified on the notice board of the office on publication of which the unsuccessful tenderers may get back their earnest money.

5 Within three days from the notification of the successful tenderer's name, he should deposit six months' rent in advance and also execute a lease deed on a ten-anna stamp paper, binding himself to abide by the conditions of the contract failing which, the earnest money will be forfeited to Government and the canteen disposed off on fresh tenders at his risk.

6 The lessee should pay the monthly rent on the 5th of every month failing which a fine of Rs. 5 will be levied for every week's delay or fraction thereof.

No delay in payment of rent will be countenanced and if the rent is not paid in any month, the contract will forthwith be cancelled and the earnest money and the advance of rent will be forfeited to Government.

7 The contractor should also give an undertaking to the effect that in the event of default, the arrears may be recovered from him as arrears of Land Revenue under Section 192 of the Land Revenue Code.

8 The final acceptance of the tender will rest with the Government in the Public Works Department.

9 The right of running the canteen shall be for a period of two years from the date of acceptance. This right shall not be transferred or sublet to any other person.

10 He will provide his own stock of decent furniture and pay for light, water, sanitary cess bill and also the Municipal taxes of the permises.

11 The building shall not be used for dwelling purposes. Electric cooking ranges may be arranged for by the tenderer.

He should put up the necessary platforms and lead the smoke to the chimney.

12 The proprietor shall employ properly clothed and trained attendants and should be bound to supply clean and wholesome preparations. The equipment of furniture shall be on the lines approved by Government.

13 It is entirely the responsibility of the proprietor to get the required Licence and Ration Cards for serving the Canteen and this office will not interfere in the matter, though rationing is not in force now.

14 In the event of the tenderer failing to execute the required leased deed, the above conditions are to be held legally binding and enforcible in court of law even in the absence of a regular lease deed.

15 The successful tenderer should deposit six months' rent as a further deposit in addition to the earnest money as a guarantee for the fulfilment of the contract, at the time of executing the lease deed.

16 No building is erected but a plot of land will be given to the tenderer for erecting a building at his own cost. The plan and design therefor will be subject to the approval of the Special Engineer. After the termination of the period of contrart, *viz.*, two years or earlier termination for non-fulfilment of conditions the right to dismantle the building by the erector will vest with the undersigned. The structure put up by the tenderer should be removed at his cost entirely, immediately the dismantling is approved by the Special Engineer after the lease period terminates.

17 The monthly rate may also be offered, if the Department arranges for putting up a Nissen shed 48′×16′ for use of Canteen and also pravide a tap and suit alternately.

N.B.—The tenderer is expected to supply wholesome food or tiffin at reasonable rates. This is a good chance for experienced caterers to tak advantage of this opportunity to serve the public.

M. MUNIAPPA,
2506 *Special Engineer.*

MALAVALLI DIVISION, MANDYA.

4 Repairing and improving the Gargeswari Temple in Gargeswari, T.-Narsipur Taluk.

(1) The contractor shall quote for each individual item of works both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty, or any tax due to Government.

(2) Monthly progress should not be less than Rs. 2,500 and the work should be completed in all respects within four months from the date of acceptance of tender.

(3) No conditional clause will be accepted.

(4) No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

(5) Estimates and other particulars regarding rates, etc., can be had for inspection in the Office of the Executive Engineer, Malavalli Division, Mandya, on all working days between 11 A.M. and 5 P.M. (9 A.M. and 12 NOON on Saturdays).

(6) The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary "Mutchalika" within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

(7) Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Malavalli Division, Mandya.

(8) Each tender should be accompanied by a treasury chellan for (1) Rs. 580, (2) Rs. 230, (3) Rs. 370 and (4) Rs. 243 respectively as earnest money paid at a Government Treasury under "S. Remittances—Payments into Treasury by P.W. Officers" (Malavalli Division).

(9) The final acceptance of the tenders will rest with the Government. For non-tendered items of work, the minimum schedule rates will be given, if the items are scheduled items. Otherwise, data rates arrived at with reference to minimum schedule with 10 per cent contractor's profit on non-schedule items will be given. Contractor's profit will not be allowed on the cost of materials supplied by the Department.

(10) The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 10 per cent on cost of materials supplied from the department will be charged as centage.

(11) Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

(12) The Department does not take the responsibility in supplying any machines, etc.

(13) Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

(14) The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution" and no higher rates than tendered ones will be paid.

(15) The Department does not undertake to supply lorries to the contractor.

(16) Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

(17) The works should not be sublet.

(18) The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE SUPERINTENDENT, HILL STATIONS IN MYSORE, LALBAGH, BANGALORE.

Notification dated 1st July 1953.

It is hereby notified for the information of the public that auction held on 30th June 1953 for disposing off several unserviceable articles belonging to Nandi Hills is proposed to be reauctioned on 11th July 1953.

The detailed list of articles can be had from the Office of the undersigned.

M. H. MARI GOWDA,
2474 *Superintendent.*

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER TO THE GOVERNMENT OF MYSORE, BANGALORE.

Dear Sirs,

Enquiry No.....

Tender for installing motor driven I.P. Sets complete with foundations, internal wiring for the motor and control gear and fixing and making pipe connections complete both on the suction and delivery sides.

The tenderers are requested to furnish their quotation for the works to be carried out as detailed hereunder:—

(1) Providing cement concrete foundations for the motor driven Irrigation Pumping Sets, laying and connecting the necessary suction and delivery pipes and accessories complete.

(2) Installing and wiring the 3, 5, 7·5 or 10 H.P. 25 cy. or 50 cy. 3 phase motors as the case may be and connecting control gear, etc., complete ready for service.

The tenderer's attention is invited particularly to the following points which may be of help in estimating their quotations for the work expected to be carried out by them:—

(1) The quotations for the abovesaid two items of work should be furnished separately—

(i) for 3 H.P. or 5 H.P. 400 volts, 3 phase, 4 wire, 50 cy. 1440 R.P.M. motor driven pumping sets, direct coupled, suitable for 30 to 40 ft. head;

(ii) for 3 H.P. or 5 H.P. 230 volts, 3 phase, 3 wire, 25 cy. 1440 R.P.M. motor driven pumping sets, direct coupled, suitable for 30 to 40 ft. head;

(iii) for 7·5 or 10 H.P. 400 volts, 3 phase, 4 wire, 50 cy. 1440 R.P.M. motor driven pumping sets, direct coupled, suitable for 60 to 70 ft. head;

(iv) for 7·5 H.P. or 10 H.P. 230 volts, 3 phase, 3 wire, 25 cy. 1440 R.P.M. motor driven pumping sets, direct coupled, suitable for 60 to 70 ft. head.

P.S.—The motors should be of the drip proof type.

(2) The quotations should include the cost of carrying out the work in any part of the State as per instructions to be issued to the successful tenderer by the following Sectional Officers of the Electrical Department:—

(1) Bangalore (City Area).
(2) Bangalore (Civil Area).
(3) Mysore.
(4) Bhadravati.
(5) Kolar Gold Fields.
(6) Chikballapur.
(7) Hassan.
(8) Kanakapura.
(9) Sivasamudram.
(10) Jog.
(11) Shimshapura.

The exact number of installations which are coming under this scheme cannot be anticipated. It depends upon how many consumers are willing to take advantage of the scheme. However, a list of pumping sets which are expected to be installed during the year 1953-54 sectionwar is herewith appended. However, it is hoped that at least 25 to 30 per cent will take advantage of the scheme.

(3) Materials for cement concrete foundation will have to be provided for by the successful tenderer, but cement required for the work will be arranged to be supplied through the Department, if desired; the cost of supply being recovered from his bill of cost for the installation of the I.P. Sets.

(4) Materials like pumping set, pipes with fittings, valves, foot valves, etc., will be supplied through the Department.

(5) Each tenderer should be conversant with the latest wiring rules of the Department in so far as they are applicable to the power installations as detailed in the wiring rules book issued by the Secretary, Wiring Rules Committee, and which can be obtained from him or from any of the above-mentioned Sectional Officers at a cost of Rs. 2 per book.

(6) The tenderer should furnish along with quotation his capacity to undertake the aforesaid two items of work and the organisation at his command to carry out the work within the stipulated time which may be not more than two to three weeks from the date of order of the work.

(7) The tenderer should furnish detailed specification of the materials such as conduit pipe, insulated wires, iron clad switches, starters, etc., mentioning the name of manufacturer. All materials should conform to latest B.S.S. specifications.

(8) The successful tenderer will be required to submit to the Special Superintendent, Lift Irrigation Scheme, Office of the Chief Electrical Engineer, Bangalore-1, and the Sectional Officers, samples of wiring materials, switches and other electrical equipments to be proposed to be used in the installation and use only such materials as are approved by the Sectional Officers.

(9) The work of installing the pumping sets will be supervised by the departmental officer or officers from time to time and any portion of the work which is found to be below the departmental standard work will have to be re-done at the tenderer's own cost.

(10) The successful tenderers will be required to deposit an earnest money of Rs. 25 per each installation work awarded to him which will be forfeited to the Department if he does not carry out the work as per agreed schedule.

(11) The tenderers may also please note that the Department will render all reasonable help to enable the tenderer to complete the work well in time in the interest of the Department, of the ryot, and his own work.

As the work of installing and servicing the I.P. Sets is put on the topmost priority under the 'Grow More Food' Scheme, speedy execution of work is of utmost importance and therefore the tenderer should have reasonably well established organisation to carry out these works expeditiously, as per contracts to be awarded to him by the several Sectional Officers of the Department from time to time.

The quotations superscribed "Tender for installing motor driven I.P. Sets complete with foundations, internal wiring for the motor and control gear and fixing and making pipe connections complete both on the suction and delivery sides" should be submitted so as to reach the Office of the Chief Electrical Engineer, Bangalore-1, not later than 31st July 1953.

Tender specification for installing 3 H.P. or 5 H.P. Motor Pump sets for irrigation purposes on either 400 V., 50 cy., 3 phase, 4 wire or 220 V., 3 phase, 25 cy., 3 wire system.
